## Professional Summary

Frontend Developer focused on building performant, accessible, and user-centric web applications with React, TypeScript, and Next.js. Delivered production-ready projects including a portfolio website (90+ Lighthouse score), an e-commerce catalog with filtering/sorting/pagination/cart, and a feature-rich movie discovery app.

Comfortable collaborating in agile teams, writing clean, testable code, and owning features end-to-end from UX implementation to performance optimization.

## Technical Skills

Frontend: React, Next.js, TypeScript, JavaScript (ES6+), Redux Toolkit, RTK Query

Styling & Animation: Tailwind CSS, SCSS/SASS, Framer Motion, AOS

Testing: Jest, React Testing Library

Data & APIs: REST, GraphQL, WebSockets, Mapbox GL JS

Build & Tools: Vite, Git, GitHub Actions, Figma, Vercel, Netlify

Other: Serverless Functions (Vercel)

## Projects

Portfolio Website | React, TypeScript, Vite, SCSS Modules, Framer Motion, Vercel (2025)

- Engineered a high-performance portfolio with 90+ Lighthouse performance score.
- Integrated animated UI and interactive Mapbox GL map.
- Built a serverless contact form using Vercel Functions; automated CI/CD.

Cinema Guide Marusya | React, TypeScript, Redux Toolkit, RTK Query, React Router, SCSS Modules (2025)

- Implemented secure auth (JWT), 10+ filters and debounced smart search.
- Improved UX through efficient state management and reusable components.
- Structured routing and code splitting for scalability.

AirNow | React, TypeScript, OpenWeatherMap API, AQICN API (2025)

- Realtime air quality & weather dashboard (AQI, temperature, pollutants).
- City-based search with responsive UI for mobile and desktop.

Briaton Shop (demo) | Vanilla JS, Swiper.js, JustValidate (2025)

- Catalog with filtering, sorting, pagination, and cart.
- Modular pagination for scalable product rendering; adaptive layouts.

## Experience

Tesla Deutschland GmbH – Customer Support Advisor (09/2023 – 07/2024)

- Resolved 50+ customer inquiries weekly ( $\approx$ 95% CSAT) for EV and energy products.
- Collaborated with engineering/product to translate customer feedback into actionable improvements.
- Documented solutions and supported continuous process optimization in an agile environment.

HHM Hannover Hotels – Front Office Agent (02/2023 – 08/2023)

- Managed digital workflows for guest services; improved service efficiency.
- Developed multitasking, clear communication, and issue resolution in a fast-paced setting.

## Education

2024 | Skillbox, Online Programming School — Frontend Development (Professional Retraining Diploma)

2020–2023 | Brillat-Savarin-Schule, Berlin — Hotelfachmann Ausbildung
